

Phonics Fundamentals

Thursday 12th September

Online training 4.00pm-5.30pm

**Develop key phonics knowledge
(not linked to a Systematic Synthetic Phonics programme)**

- New to phonics teaching or need a refresh?
- Do you know your phonemes from your graphemes?
- Do you know your GPC's from your CVC's?

Book onto this free webinar to develop your subject knowledge around phonics and early reading.

Programme aims:

- To understand the EYFS and NC objectives linked to phonics and early reading
- To consider the key features of effective phonics teaching
- Develop knowledge of phonic vocabulary and the alphabetic code
- To reflect on own practice and plan next steps

Facilitator:

The sessions will be facilitated by **Literacy Specialists from Kingsnorth and Springhill English Hubs.**
