The following state funded schools are eligible for Accelerator Fund intervention:

- Infant schools
- Primary schools
- Junior schools
- Special schools
- Pupil Referral Units with primary school aged children.

## How to access up to £6,000 of funding

Schools who are interested will receive an audit of their phonics provision, up to £6,000 worth of funding to purchase phonics resources with the option of up to 3 days of in school support from one of our highly trained Literacy Specialists.

Resource funding must be used to fund the purchase of a complete systematic synthetic phonics programme from the Department's validated list and its associated training and resources required for implementing the programme with fidelity, in whole or in part, if the school has previously purchased an eligible programme.

Kingsnorth English Hub supports schools in the following areas: Eastbourne, Hastings, Rother, Ashford, Canterbury, Dartford, Dover, Gravesham, Maidstone, Medway, Sevenoaks, Swale, Thanet, Tonbridge and Malling, Tunbridge Wells, Tandridge, Wealden, Folkestone and Hythe.

If your school is in East Sussex, one of the new **Educational Investment Areas** then you are eligible to apply for up to £9,000 worth of funding.
