

Pre-Phonics Foundations - Phase 1

Thursday 14th September
Online training 4.00pm-5.30pm

This online webinar will provide you with an overview of phonological and phonemic awareness, sometimes known as Phase 1 phonics or pre phonics skills. The session will enable you to plan and support learning for children who still require these key skills in addition to their phonics lessons.

The session is ideal for Early Years Teachers, ECT's and staff working with children with EAL children and those children with speech, language and communication needs.

Programme aims:

- Identify the key pre phonics skills that are required before children start school.
- Develop subject knowledge of Phase 1 phonics .
- Provide practical ideas to support tuning in to sounds, listening and remembering sounds and talking about sounds.
- Reflect on current practice and plan next steps.

Facilitator:

The session will be facilitated by **Stephanie Hammond**, an experienced EY teacher and Kingsnorth English Hub Literacy Specialist.
