

David Wetherstone – Director Appointed Governor

As the newest Director Appointed Governor of Kingsnorth Primary School, I look forward to helping the school in any way I can.

I will start to work with the Quality of Education committee and will also be part of the group of Governors working closely with the EYFS and Key Stage 1 group of classes within the school

Having just retired from working in the Engineering and Property Management sector, most recently managing a large secondary school estate I hope my background and experience will be of use to the school and governing body.

Kingsnorth Primary School is an amazing place where every child matters and is valued the school rightly prides its self on working with all pupils to foster lifelong learning. Pupils leave the school as well-rounded young learners ready for their next steps in education and life and I very much support this and will do all I can to help them continue to achieve these outcomes.
