

Iain Witts – Executive Headteacher – Kingsnorth CE Primary School

My vision for the school is the same now as it was in 2012 – for all our community to flourish and be the best we can possibly be, knowing that we are loved by a generous God. I love our school and chose to send both my own children here.

I am Executive Headteacher of Kingsnorth CE Primary School in Ashford, alongside roles of Strategic Lead for the Kingsnorth English Hub and Chair of the KEEHub. I work very closely with the DfE, KCC, the EEF, Canterbury Diocese and the Teaching School Hubs in these roles.

I have a wealth of experience in school leadership, am a member of the Chartered College of Teaching and a representative on many boards across Kent and the Southeast.

I passionately believe in developing and supporting school leaders. School leaders are the source of our school led system, and I will work tirelessly to help develop our future school systems and school leaders.

I have worked as a coach since 2010 and have since had training with the Institute of Education and from a variety of leaders in coaching. I am a strong believer in coaching for the individual and for the workplace. I recognise that the key to self-improvement lies within us all and a school-to-school self-improving model relies on great school teams.
