

Karen Wilkins – Director Appointed Governor

I joined the Kingsnorth LGB in 2019 as a Director Appointed Governor. I am Chair of the Quality of Education Committee and am the nominated Governor for Special Educational Needs and Disabilities.

As Governors, we each bring our own experience and skills to the Governing Board. I draw on my professional background having worked closely with the DfE in shaping adoption and fostering policy for many years to improve the outcomes of the most vulnerable children in our society. I currently work at the Houses of Parliament where I record parliamentary committees in the House of Commons and House of Lords.

I am committed to ensuring all children have the opportunity to reach their full potential and I bring passion and experience to my governor role, particularly in relation to looked after children and special educational needs and disabilities.
