David Weatherstone has served as a governor for several terms of office over approx 16 years, firstly as a parent governor when his daughters attended the school, and latterly as a Trust (Aquila) appointed governor. He was Chair of Governors for 5 years until summer 2018, providing inspirational leadership when the Governing Body became a Joint Governing Body with Brenzett School in 2017. His dedication to, and knowledge of, the whole school community - children, staff, parents and governors of BOTH schools has been amazing. Many families will remember him for his voluntary help every year on year 6 French residential trips. We thank him warmly from us all for his enormous contribution and support towards the continuing success of the schools.

Please take care.

The pothole on the crossing near the village hall had been reported earlier to the Highway department of the Council. We have chased them again this morning following a complaint.
