Note to parents and carers...

Please use this book regularly to get your child familiar with the adults and school environment, this will ease transition when they start in September.

We cannot wait for your child to join the Kingsnorth family and become part of our community.

We know this can be an anxious time for both you and your child, but we know they will settle quickly and thrive with us.

We look forward to meeting you at home visits and will continue to communicate with you regularly.

Keep safe, keep well.
