Where every child loves to read

DEVELOPING SOCIAL READING ENVIRONMENTS HOSTED BY DR REBECCA AUSTIN

This webinar will consider ways in which schools can develop 'communities of readers' through the physical and talk environments & opportunities that they provide for children. Children learn what reading is about from the social environments within which their reading takes place. Children need safe, stimulating spaces where they can 'relax, browse & read for pleasure

**This webinar will be held on Monday 7th
December at 4pm - 5.30pm
