

# **CHILDREN'S ART WORKSHOPS**

**SINGLETON ENVIRONMENTCENTRE**

In these workshops will be exploring art and nature through the theme of 'Spring'.

Each child will experiment with different art skills both in the classroom and in the natural environment. They will use these to create a final piece of art using nature as an influence.

Each child will bring home art experiments and a final piece to proudly display at home.

Small groups of children

Two dates – **10<sup>th</sup> April and 16<sup>th</sup> April** - each with three sessions to choose from.
