

**Good Friday 2<sup>nd</sup> April at 10 am**

**Workshop on zoom to make an Easter Garden – All welcome but particularly our families.**

**We will be making Easter gardens together and talking about what happened on that first Good Friday and Easter Day.**

**Some preparation on your part will be needed so on the next page you will find instructions on what you will need to do to be ready.**

## **What to do BEFORE Good Friday**

**You will need to go on a scavenger hunt to find these things and then have them ready to make our gardens at home.**

**Inside your house, you will need to find:**

- 1 A tray or large plate with a lip at the sides (so that the garden doesn't drop onto the table.)**
- 2 A small flower pot or the inside of a toilet roll cut in two.**
- 3 A small piece of white cloth.**
- 4 Six smallish sticks to make into crosses.**

**Outside you will need to find:**

- 1 Some soil (or if you can't get any just some old rags or socks will do so they can be scrunched to make a hill.**
- 2 Some moss or a bit of turf or some green material.**
- 3 Some small stones.**
- 4 One large stone (to cover the entrance to the tomb.)**

**Optional extras:**

**Some small plants such as pansies, buttercups, forget me nots or daisies to bring some colour to your garden – try and dig up the roots rather than pull them up because they will die pretty quickly if you do that.**

**A small mirror to make a pond.**

**Anything small that you think would enhance your garden – you decide.**
