Dear Parents and Carers,

Today we have had the very sad task of informing the children of the sudden death of Mrs Tricia Lovell, one of our parents and one of our colleagues.

Her sudden death, following a tragic accident, has come as a huge shock to our whole school community and she will be greatly missed by everyone in the school. May she rest in peace.

When someone dies there can be many feelings of sadness and confusion, which are all normal. The staff have been on hand today and will be tomorrow to help support the pupils and answer any questions.

For those who would like further support there is a very useful website called "[Winston's Wish](#)" or you could use '[At a Loss](#)' or '[Holding on Letting go](#)', which people mourning the death of someone close can access.

Our deepest sympathy goes out to Samuel, Alice and Tricia's family and friends at this very sad time for them all.

With condolences,

Mr Iain Witts and all School Staff
