Head of School: Mrs S Sullivan

Dear Parents of RG,1A 3T,

It has been brought to the schools attention that children whose class bubbles are in isolation, have been brought to the school to drop off and collect siblings.

Please see the rules below:

WHAT MUST CHILDREN IN THEIR SCHOOL 'BUBBLE' DO?

They must self-isolate for 10 days from when they were last in school with the child. This means that they cannot leave the house unless in an emergency. They can't come to school, go to any after school clubs, on play dates, take the dog for a walk or go to a playground. Other household members can carry on as normal, so siblings can come to school and parents can go to work. You should follow good hygiene processes at home and the guidance says that you should try and social distance wherever possible (although this may be very difficult with children of this age group).

We know this will cause some families difficulty but please phone the school.
