PRAYER SPACE

Dear God,
Open my ...

Eyes to see new friends.
Ears to hear my teacher,
Heart to know you are near,
Mind to learn new things.

Help me to love like you and shine your light
Amen

A message from Sarah Bone, Deputy Head

We have been blessed with another week of wonderful weather and energetic learning in class. It has been my pleasure to have had the chance to share in some of the children's learning this week; I have been treated to fabulous writing, artwork, facts about Space, how to solve tricky maths challenges and listened to children reading their books. They are a credit to you and to the school.

We welcomed our youngest children to school this week for morning sessions. They have done remarkably well and have managed lunchtime with great confidence. A super start to their precious time with us. It has been great to have had the chance to launch clubs this week – thank you to all our teaching colleagues who are running these. Class teachers have also uploaded a welcome video message on your child's class webpage. This is designed to be a guide for all parents on the expectations of the year ahead, details of upcoming learning and how you can help at home. We are very sorry that the current climate made it impossible to invite you into school to deliver this. As ever, if you have any questions about your child's learning please do speak to your class teacher at the end of the day or email them on the year group email address. We are always very happy to help you.

Thank you for continuing to support arrangements at the start and at the end of the day in order to keep everyone safe. As you are aware, we have plans in place to ease congestion at the end of the day with double gates and are hopeful that this may be in place shortly. Your continued support of this is much appreciated. I hope that you are able to enjoy precious family time at the weekend.

Wellbeing

We are here to support you and your child in any way we can.

'Worry is a total waste of time. It doesn't change anything. All it does is steal your joy and keeps you very busy doing nothing.'

Our FLO Mrs Rich is also available for any support.

News

Can you spare an hour to help tidy our School Garden area?

"Many hands make light work..." We would love to see staff, parents, pupils and community members volunteer for our "Garden Force" Day at Kingsnorth School on **Sunday 10th October**, any time between 10am and 2pm, to tidy our Spiritual/Sensory Garden, front garden and planters and prepare them for winter. Come along and bring your wellies, wheelbarrows, spades, shears/loppers, leaf rakes, heavy duty rubbish bags (don't forget those gardening gloves) - and plenty of energy. We would also appreciate any donations of spring bulbs and potting compost. Bacon rolls provided! You will be REALLY welcome - be a part of making these lovely areas somewhere for the children to learn and enjoy. Thank you!

Would you like to join us as a Parent Governor? If you are interested please complete the attached nomination form by Tuesday 29th September.

There is a change to the menu on Tuesday 21st September the vegetarian option will now be a veggie sausage instead of a burger.

Things to remember

Please see below for each year group's PE Block Week for the year. Please ensure that your child comes into school wearing their PE kits for these dates. Please ensure that you provide your child with a clearly named water bottle daily.

Car parking

Blue Badge Holders – please can we ask that you vacate the space as quickly as possible, we have lots of people wishing to use them throughout the day. Please ensure your blue badge is visible at all times.

Please can we ask that you are respectful by not blocking in cars in the carpark, we have had a few incidences where this has caused problems. Thank you.

Morrisons are offering free gardening equipment for schools please see link below:

If your children's behaviour is starting to 'wobble' it's not you. It's their adjustment to school and tiredness after a couple of weeks. Stay consistent and see you on the other side!

French word or phrase of the week

As part of Kingsnorth's love of language, we will share a French word or phrase of the week. See if you can use it during the week! Share any examples with your class teacher.

aeroplane = un avion
I love aeroplanes = J'adore les avion
