## A message from Sarah Bone, Deputy Head

I can hardly believe that we are almost half way through the term. The children have been working very hard with their teaching teams, however, we cannot do this without you, as parents, so thank you for your continued support and kind words. We are very grateful. I hope that you found your Class Teacher information video a helpful support for you to understand the expectations and routines for your child in their New Year group. If you have not had time yet to view this, it can be found on your child's class webpage. I would like to thank the PFA for running their pre-loved uniform sale this morning (with coffee and cake!) and for their commitment to supporting the school and raising funds. They are currently looking to recruit new members so if you are interested, they will be delighted to hear from you.

This week the Children's Commissioner publish their report on the "Big Ask" survey. This was the biggest survey of children and families, designed to learn about how they have coped in lockdown and what further support they would like. You can read the report using this link;

[https://www.childrenscommissioner.gov.uk/wp-content/uploads/2021/09/the\\_big\\_ask\\_the\\_big\\_answer\\_09\\_2021.pdf](https://www.childrenscommissioner.gov.uk/wp-content/uploads/2021/09/the_big_ask_the_big_answer_09_2021.pdf)

One of the interesting outcomes from this is internet safety. After a sustained period of home learning, this is a more important than ever area in which to inform and guide our children. In response to this, we will publish a short piece every week on different areas of internet safety or new agency guidance. We hope that you find this useful.

We have been blessed with an extended summer of weather since our return to school, so I hope that you have invaluable family time in which to enjoy this at the weekend.

## Dates to remember
