Dear Parents / Carers

Applications for Secondary School Places September 2022

Year 6 is an incredibly busy year for both children and for you as parents. Restrictions have made it more challenging to share information face to face however we thought that the attached time line may be helpful for you as we approach key deadlines for Secondary School applications.

Date / Deadline	Stage in Application Process
21 October	Results of Kent Test – by email if you applied online
1 November	Deadline for applications for a place at Secondary school ; there are 4 choices on this form. <u>Use them all!</u>
1 March 2022	National Offer day – confirmation of Secondary School place offered to your child
From 1 March 2022	Parents may submit appeals from this date

As you will have noted, the results of the Kent Test are during the last week of the school term. If your child sat the Kent Test and you would like any advice or guidance following receipt of your child's results then we will be very pleased to help you during that time and ahead of the October half term. In the event that your child does not achieve the published aggregate score for Grammar School but you wish to appeal, then you should nominate your preferred Grammar School as your first school preference in order to ensure that you are entitled to appeal.

If your child did not sit the Kent Test but you would also like some support or guidance, please also contact us! As a reminder, applications for Secondary School places should be made using the following link;
