A message from Sarah Bone, Deputy Head

Welcome to October! It seems that the start of a new month has delivered a new season of weather. Autumn is definitely upon us! Today is apparently National Coffee Day so I hope that there is some respite in your day in order to enjoy!

Your children are at the centre of everything that we do and this includes opportunities for them to be leaders. It was our pleasure to appoint leadership badges this week for School Council, Worship Leaders, Wellbeing Ambassadors and House Captains. We will publish a full list of all pupil leadership responsibilities next week.

We have celebrated the children's writing this week in an exhibition in school in order to showcase their talents, creativity and imagination. I hope that they come home and tell you all about it. Knowing that sometimes that does not happen, we will share pictures on the website as a backup! Year 2 have also been very busy this week preparing for their Harvest Festival Celebration next week. Due to the current climate this is by invitation only to Y2 parents, but the rest of the school will watch live through TEAMS. It promises to be a fabulous celebration. Our focus for online safety this week is parental controls and navigating the increasing number of apps and games available to children. National Digital Parenting week, sponsored by Parentzone, launches on 4th October – we will share useful links for your information during the course of the week.

This week the school was prayed for by the Diocese of Canterbury and we pray also that you have a peaceful and happy weekend.

Thursday's after school Football Club will not be running on 7th & 14th October

Can you spare an hour to help tidy our School Garden area?

"Many hands make light work..." We would love to see staff, parents, pupils and community members volunteer for our "Garden Force" Day at Kingsnorth School on **Sunday 10th October**, any time between 10am and 2pm, to tidy our Spiritual/Sensory Garden, front garden and planters and prepare them for winter.

Come along and bring your wellies, wheelbarrows, spades, shears/loppers, leaf rakes, heavy duty rubbish bags (don't forget those gardening gloves) - and plenty of energy. We would also appreciate any donations of spring bulbs and potting compost.

Bacon rolls provided! You will be REALLY welcome be a part of making these lovely areas somewhere for the children to learn and enjoy. Thank you!
