

## Ashford United Mascot competition

### Details of the competition:

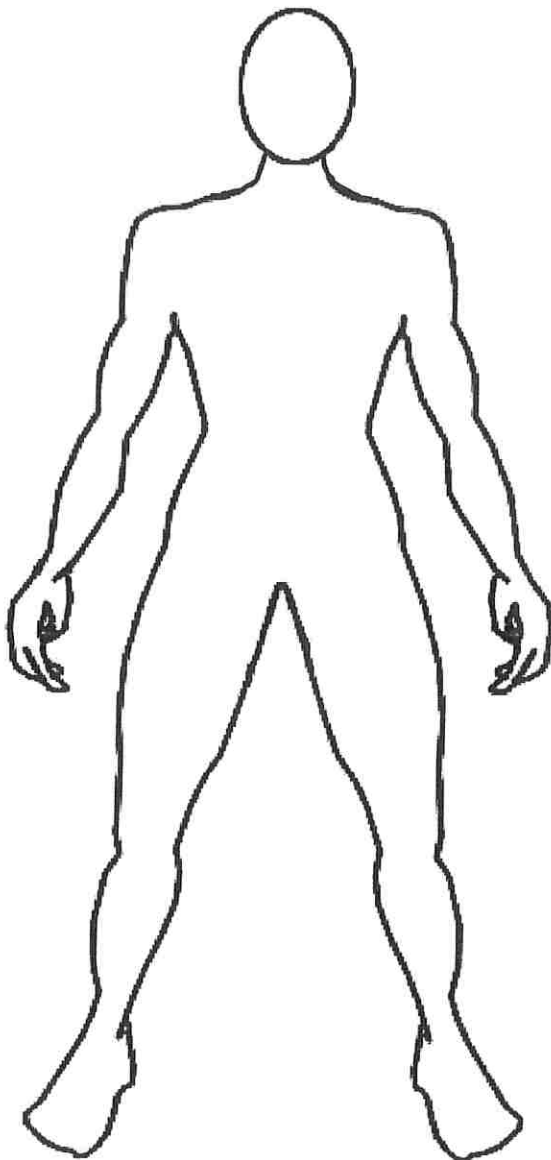

- A panel of judges will choose the winning design, which will become Ashford United's mascot and be made into a costume
- The mascot will entertain crowds on matchdays and visit local community events to represent our club
- The winning child will get the chance to lead our team out onto the pitch at our stadium, Homelands in Kingsnorth, as their prize
- We will hold a press launch for the mascot with the winning child at their school (if the school wants this)
- Two runners up will receive family tickets to a match (presented by the mascot at their school)
- The deadline for entries is **November 5, 2021** (please contact me to arrange collection/postage when your entries are complete)
- Please ensure pupils complete both pages as we need the details on the second side/sheet to identify their entries (child's name and school only go on the second page to ensure impartial judging.)
- The mascots need to be wearing our green Ashford United shirt so if you need to remind children of its appearance, there are images on our website at: <https://www.ashfordunitedfc.com/photos>
- We are hoping lots of schools take part and our mascot will be available to attend events such as school awards ceremonies and sports days once it's been made

Teachers are welcome to show the video in classrooms, assemblies or to share it with parents and the link can be found here: <https://www.youtube.com/watch?v=44RRPeE6gw>

# Design a mascot for Ashford United FC

Can you create a mascot character to be made into a costume? It could be an animal, superhero, human or anything you want. Think about why your character is a good mascot for our club, give it a name and tell us about it on the other page/side. Don't forget to include our green football shirt, show how it looks from the side and consider the need to walk about in it.
