

A very warm welcome to our school.

We realise it can be strange and a little nerve-wracking joining a school, and there always seems to be so many questions to ask. This letter aims to set some information you will need about our Parent and Friends Association, which is a major part of our school life.

The PFA is a group of enthusiastic parents, who give up their own time to help the school in various ways. Different events are organised throughout the year to enable everyone to have fun, get to know each other and help raise extra funds for the school. If you think you have the time and energy to be a part of the team, please don't hesitate to contact us.

If you would like to join us or have any questions please get in touch with one of the PFA committee members, ask at the school office, or email kingsnorthpfa@yahoo.co.uk. Don't forget to check out the school website and click on PFA. You can also become a friend of Kingsnorth School PFA on **Facebook**.

Our current team have several members that have been here for a while and are looking to step down from the committee, as our children have either left or will shortly leave the school. We therefore need to get a new committee in place to continue the amazing work, so that we can still provide great events for the children and raise funds for the school. We will be here until then to answer any questions and enable a full handover of our experience and expertise, so you won't be alone. We will probably be around for the major events too, to help out as needed.

We are looking forward to hosting our major events including Fireworks Night, Christmas Fayre and Summer Fete as these have all been on hold due to the pandemic. Our smaller events have included quiz nights, school discos, Easter Bingo and refreshments for Sports Day. There may be other events you would like to try once you find your feet such as Pamper evenings and Film nights.

We are looking for both a Chair and Vice Chair for our committee and ideally a treasurer and secretary too. If you can pair up with a friend and share ideas, this would work well.

Please come and see us if you think you can help as we really don't want the children missing out.

Many thanks

The PFA team
