### A message from Sarah Bone, Deputy Head

Welcome back to school and to a seemingly chilly November. I hope that you all had a safe and happy half term – the week seemed to pass so quickly! This is traditionally a busy term with the anticipation and excitement of Christmas. I wanted to take this opportunity to thank all members of the PFA for their hard work in organising and hosting our Fireworks Night tomorrow and the Christmas Fayre later in the term. We will keep our fingers crossed for clement evening weather! Public information advice is for pets to remain indoors during fireworks as this can cause distress and upset. Where possible, please leave your pets at home. If you are able to help on Sunday morning to help tidy up the site after the Fireworks, we would be very grateful. The PFA will be delighted to take your details and confirm the arrangements for this.

The children have settled quickly back into school and have been enjoying learning about their new topic areas. I am so impressed with their eagerness to share their learning and ideas – this is the highlight of my day! Our school council have been quick to action also and I hope you have had the chance to read the letter detailing their initiative to combine support for Anti-Bullying Week and Children in Need. We are enormously proud of their energy and enthusiasm and hope you will be able to support them with any donations you may be able to make.

With the onset of shorter daylight hours, road safety and visibility is ever more important. Whilst road safety is part of our culture of safeguarding, I thought you might be interested in an app which you can play at home – Virtual Road World. This allows the children to move through a virtual world, identifying risks and navigating how to cross roads. The app can be downloaded from the App store; <https://apps.apple.com/gb/app/virtual-road-world/id1417184667> Finally our online safety feature this week is Tik Tok. We hope you find the attached fact file useful.

I hope you have a wonderful weekend and I will look forward to seeing many of you on Saturday at the Fireworks. For families celebrating Diwali, we wish you a happy and peaceful time.

Starting 12<sup>th</sup> November Paula Rich, the Family Liaison Officer will restart the coffee mornings on Fridays in the Old School Hall 9am to 10am for parents and carers with preschool children.

Volunteers needed – The PFA are asking for volunteers to come up to the field at 8am on Sunday after the fire-works event to help pick up the debris etc. so that the field is ready for football at 9.30am. Any help will be much appreciated, thank you

## Things to remember

If your child develops **ANY ONE** of the main symptoms of Covid-19 please keep them off school and arrange for your child to have a PCR test. The main symptoms are high temperature, a continuous cough and a loss of their sense of smell or taste.

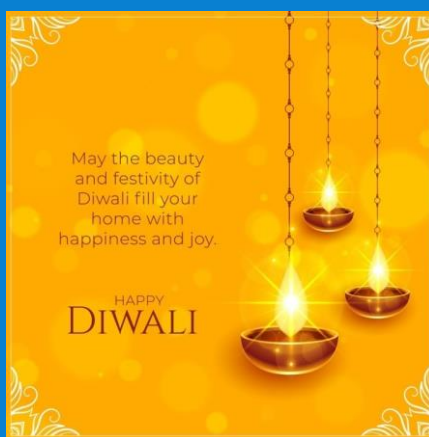

Next week is Year 1's PE Block week (08.11.21-12.11.21), however, there will be no PE on Wednesday due to World Science Day, please ensure your child comes in wearing their PE kit on the other days.

Year 2 – Due to Wednesday being World Science Day the children may be coming in wearing a costume, as it is their PE day can we ask that their PE kit is either worn underneath their costume or they can bring it in and the children can change into them.

Please can we ask that no keyrings or any items are kept on children's book bags, this is due to limited space in storing them in the classrooms.

It's the last day for deposits for Year 3 & Year 4 Kingswood Trips, please pay via Scopay.

Fireworks – Gates open at 5pm and the Fireworks Display starts at 6.30pm.

### French word or phrase of the week

This week's French phrase is below.

See if you can use it during the week! Share any examples with your class teacher

le pompier = the firefighter

Le pompier a été courageux = The firefighter was brave.
