Composer of the week is:
Louis Armstrong

Louis Daniel Armstrong (August 4, 1901 – July 6, 1971), nicknamed Satchmo, Satch, and Pops, was an American trumpeter, composer, vocalist and occasional actor who was one of the most influential figures in jazz. His career spanned five decades, from the 1920s to the 1960s, and different eras in the history of jazz.

Lord, you have given us all different gifts, skills and talents but we all have the ability to serve others with our time and kindness. Please help us to give to others with every opportunity we have. Amen.
