Grasshopper SOCCER

FOR BOYS & GIRLS AGED 2 - 12 YRS

FRANCHISES AVAILABLE

TERM 4 2022

STARTING FROM 22ND FEBRUARY

MITE-E PROGRAM (2-3YRS)

The Mite-E, designed specifically for our smallest Grasshoppers, encourages developing your child's motor skills, balance, and coordination. Parents are actively involved in our Mite-E program, playing alongside their little Grasshopper. We learn a new skill each week and play two fun games every session.

35 MINUTES - 6 WEEKS £53

PINT SIZE PROGRAM (4-5YRS)

The Pint Size program introduces your child to the very basics of soccer in a fun, engaging, and supportive environment. As with the Mite-E program, our little Grasshoppers enjoy the company of their BIG Grasshopper parents in the session. This provides such an amazing opportunity for quality bonding time between parent and child.

45 MINUTES - 6 WEEKS £56

MICRO (5-8YRS)

Our Micro program continues our little Grasshopper's development of their motor skills and confidence-building within a non-competitive and supportive environment. We continue to engage our little Grasshoppers with fun and entertaining skill-based games that see our little Grasshoppers want more opportunities to learn and develop.

60 MINUTES - 6 WEEKS £60

MICRO + (8-12YRS)

Micro+ focuses on further developing their character in a supportive and non-competitive environment. Our little Grasshoppers continue to develop their motor skills and confidence. Micro+ is the culmination of our little Grasshopper's journey, where they have now developed the confidence, belief, and skills required to enjoy themselves in the future.

60 MINUTES - 6 WEEKS £60
