

25th February 2022 - No. 405

Message from Sarah Bone, Deputy Head

We were very pleased to welcome both you and your children back to school this week. We hope that the terrible weather did not spoil invaluable family time together. The children, as ever, have returned with their usual fantastic excitement to see their friends, their teachers and to start their learning again. Year 6 have been completing their horror stories, Year 5 have been thinking about cake when trying to solve problems with fractions and Year 3 have started some exciting work in Science which they were very eager to share with me yesterday. Our youngest children in school have settled very quickly back into their routines and it has been fantastic to welcome them to our whole school Collective Worship sessions. We are so pleased to be able to return to the hall together as a school for these and I know that the children have been very excited this week because of this. A little "normality" returning at last! So too we are hoping for this in terms of sporting fixtures for the terms ahead. A huge thank you to Mrs Potts and to Miss Petty for their work in registering the children for a range of sporting opportunities – we will keep you updated on dates and fixtures.

At the end of last term we asked for your help to complete a Safety survey as part of our safeguarding protocols. Fifty families have replied – thank you for your time in doing so. I would be very grateful for more responses so that we truly represent our parental community – please use this link to complete. It will only take a few minutes!

Next week we welcome in March and Book week. I hope you received details of what is planned for the children next week; please chat to your Class Teacher if you have any questions. On Friday 04 March you will receive your child's midyear report and a link to make an appointment only if there are items which you wish to discuss further. It has been a pleasure to read both Teacher and children's comments and I know that you will share our pride for the children and their successes.

Have a fantastic weekend!
