## Message from Sarah Bone, Deputy Head

Finally a week of Spring weather! We have tried to make the most of this in school with the children continuing to enjoy their Outdoor Learning sessions and other opportunities to be outside. It has been a challenging week for illness with both the children and the staff so thank you for your kind words and patience. We feel very blessed to serve you as our community of parents.

We were very pleased to welcome Reverend Bruce to school this week in order to lead Worship and we never cease to be amazed with the ideas and thinking that the children share during worship and in our class based RE lessons. We have been thinking about the Easter story and Mrs Green and I had the pleasure of popping into classes and chatting to the children about their learning. There have been impassioned debates about whether Judas or Peter was most disloyal, and what evidence we can find of the Resurrection in hymns. Thank you to Mr Myers, our Chair of Governors for his support in school this week listening to the children chat about their learning. It makes us burst with pride!

I hope that if you booked a Parent Consultation session this week, this was a useful support to your child's report. We appreciate the disappointment with the cancellation of Open Classrooms in 2S, 3C and 6H today, however, I am sure you will appreciate that with Class Teacher absence this was very difficult. We will restore these sessions as soon as is practicable.

Finally, thank you for a fantastic array of Super Heroes in order to celebrate Red Nose Day. Whilst the children do not need costumes for us to know that they are super heroes, thank you for your support of a very important charity.

In the meantime, we pray for continued Spring weather and good family health over the weekend and we look forward to welcoming you all back to school on Monday.

## School News

The new Spring/Summer dinner menu will start after Easter, w/c 18<sup>th</sup> April 2022, were sent out via email earlier this week. Copies will also be available in the foyer. We are still awaiting the new allergy menus; they will be given out shortly.

It is imperative that your child brings a named water bottle to school every day, especially now that the weather is warming up. We are noticing an increase of children suffering from headaches due to dehydration.

4CH enjoying their outdoor learning this week making smores!

This week RG watched a tutorial on how to draw the Statue of Liberty and this is Tegh's amazing drawing.

### School Prayer

Dear God,  
Hold my hand, God, lead the way. Help me be good every day, let me know what's wrong and right. Let me know what you have planned, lead the way God, hold my hand.

Amen
