Headteacher: Mr Iain Witts

Dear children,

In the new term we are having an exciting new addition to the school; a book vending machine. You will be able to earn tokens in class that will enable you to choose a new book from the machine. However, before it gets installed we need your help! The school can design the graphics that go on the vending machine, so we thought we would ask you to help.

Firstly we would like some quotes to add to the vending machine, you could tell us what you love most about reading or what makes you want to read.

Secondly, we would like you to put your drawing skills to the test and create your own design to decorate the sides of the vending machine, this could be a picture of you and your friends enjoying reading a story, it could be a scene from your favourite book or your favourite book characters. Be as imaginative as you like, but remember this is all about reading.

Below are some examples of vending machines that are already in some primary schools, so that you can see what they look like; we think you can do much better! We have made a template on which you can draw your design.

Please can all entries be submitted to your class teacher by **Friday 22<sup>nd</sup> April**. We look forward to receiving your quotes and designs.

Many Thanks

Steph Savage  
English Hub Lead

Sylvie Syrett  
Librarian
