

1st April 2022 - No. 410

Message from Sarah Bone, Deputy Head

It has been a busy week to end the last of our Spring terms. The terrible irony has been the change in weather – let us hope that this does not overshadow our Easter break!

Thank you for your continued support of the school and your very kind words. We feel blessed to work with you as our parental community. Besides the excitement that snow brought yesterday, the children have also been excited with the approach of Easter, creating gifts and cards for their family. In whole school Collective Worship we have been thinking about the meaning of Easter and the events during Holy Week. The children have shared insightful and thoughtful ideas about these events and the symbolism of the cross. At this very difficult time across the world, the theme of hope is more important than ever.

It was my pleasure to accompany Year 5 to their final swimming session yesterday. The instructors were full of praise for the progress the children had made, how delightful the children are and how much they had enjoyed teaching them. They are a credit to both the school and to you.

Thank you to all parents from Year 6 who were able to join us on Monday for a session on preparing for SATS; we were very pleased to welcome you to school and to have the opportunity to share how we plan to support the children next term.

Thanks also to parents in Year 4 who joined us in school on Thursday in order to review the schedule for our Kingswood Trip. It is so exciting to be able to take the children on trips again! We totally appreciate that there is a mixture of excitement and nerves, however please be assured that once the children are at the centre and busy with activities, nerves convert to enjoyment. We will take good care of them!

I hope that you all have a peaceful and safe Easter holiday and we will look forward to welcoming you back to school on Tuesday, 19 April for the first of our Summer terms. Let us pray that the weather mirrors the season!

Things to Remember

Please ensure that your child brings a coat to school in the cold/wet weather, children without a coat will not be able to go outside and play when it is raining/snowing.

Year 5 – The week back after Easter is PE block week w/c 19th April. Please send your child in wearing PE kit.

Year R - Please can we ask that children do not climb on the climbing frame in the mornings and at drop off while waiting to enter the classroom, this is for health & safety reasons.

School News

The Spring/Summer dinner menu starts after Easter. There is a change to the menu on Tuesday 19th it will be Tomato and Vegetable Pasta Bake instead of Jerk Chicken. The rest of the week will be the same as stated on the menu.

Thank you for your patience regarding Choir Club this year. We are sorry about all the cancellations due to illness - Miss Howling can't wait to get going again after the Easter holidays and is really looking forward to the final practices before going to the O2 Arena!

Year 5 enjoyed designing and creating an Easter egg box this week. We think that for some of them, their favourite part was adding the chocolate egg at the end!

School Prayer

May you have

The gladness of Easter, which is Hope

The promise of Easter, which is Peace

The spirit of Easter, which is Love
