Dear Parent/Guardian

Year 1 – Class Trip to Wingham Wildlife

On Friday 20th May 2022 we are planning a trip to Wingham Wildlife park. The trip will consist of an educational animal talk and time exploring the park.

Travel to and from school will be by coach, leaving school at 9am prompt and returning before the end of the school day. If your child suffers from travel sickness, please administer your usual dose before school, providing a further dose in a marked envelope for the return journey with the relevant completed 'Administering Medication' form available from the school office.

Children should wear their house t-shirt or in the event of colder weather please **wear their school jumper** for ease of identification during the day, and shoes suitable for walking. If the weather is inclement, a lightweight waterproof jacket would be wise. If the weather is warm, a sun hat/cap is imperative and any sun cream applied before school. **Lunch and drinks should be in a named back-pack that your child can carry or in a disposable named plastic bag.** (no fizzy drinks or glass bottles please). Please **NO** mobile phones, cameras, DS's, ipods etc. Thank you.

The cost of this trip will be **£14 per child** and is payable via Scopay. This includes entry to the park, coach travel and a keeper talk. We are very aware that there are financial difficulties for families at this time and invite you to discuss making the payment with our FLO should you feel it necessary. Having checked, we are sorry to inform you that family annual tickets are **NOT** valid for this trip.

Please make payment via Scopay, complete the slip below and return to your child's class teacher by **Friday 6th May 2022**. Please note that the information on this slip will be taken on the trip with the adults in charge and your signature covers our GDPR policy.

If you have any questions or queries please contact a member of the Year 1 team. We are very excited to be taking the children on their first school trip at Kingsnorth CEP School.

Yours sincerely
