

1st July 2022 - No. 420

Message from Sarah Bone, Deputy Head

We have now completed our final week in June and look forward to a range of exciting events in July; finding out new classes and Teachers, Year 6 Kingswood Trip, and the Year 6 Production. In addition to this, we have started to welcome our children and families who will be starting in EYFS in September. They have enjoyed a taster day already and will enjoy a final one ahead of the Summer holidays; if you are a new family to Kingsnorth, we are very pleased to welcome you to our wonderful community.

It has been a slightly quieter week in school this week as Year 6 have also started their preparations for their new Secondary Schools. Despite many feeling a little anxious about the prospect of moving, their feedback has been really positive and they have had a great week. I am sure that their experiences at Kingsnorth together with their fantastic character, will ensure a smooth and happy transition. Year 5 were very pleased to "try out" sitting on the Year 6 benches during Collective Worship! Everyone is getting ready for the next steps!

Today we say goodbye to Mrs Love after many years of dedicated service to the school. I am sure you will join us in wishing her every happiness and onward success in her new post. We also say an interim goodbye and good luck to Mr Everett; he will be out of school for two weeks on his Kilimanjaro adventure, raising money and bringing awareness for a very important charity. We wish him safety and look forward to pictures of the Kingsnorth flag at the summit. Thank you if you have been able to donate to his chosen charity. There is a collection bucket in the School Reception area if you would still like to do so. Finally, we say thank you and goodbye to Miss Rivers; she has been our student Teacher working with 1B. Now qualified, she is looking forward to a summer holiday and a new school in September.

Thank you for your continued support of the school. If you have any worries or concerns, there are many ways to contact us and we are always happy to help you. Have a wonderful weekend and we look forward to seeing you on the first Monday of July!

School Prayer

Lord, in the morning I start each day, by taking a moment to bow and pray. Beginning with thanks, I then give praise for all your kind and loving ways. Today if sunshine turns to rain, if a dark cloud brings some pain, I won't doubt or hide in fear, for you, my God, are always near. I will travel where you lead; I will help my friends in need. Where you send me I will go; with you help, I'll learn and grow,
Amen
