Message from Miss Moore, Assistant Headteacher and SENCO

My name is Denise Moore I am the new Assistant Headteacher and SENCO, I have joined the school at such an exciting time. I thought I would take this opportunity to tell you a little about myself, I have worked within education for many years, both within special schools and mainstream schools. I have a wealth of knowledge and experience in working with children and understand from my own experiences how each day can be challenging.

I am so excited to have joined Kingsnorth Church of England Primary School, I live locally and am very familiar with the Ashford Schools and when this opportunity arrived to be part of the school and the community I was overjoyed.

Thank you for making my two week's so successful, the children have been fantastic in welcoming me to the Kingsnorth family. I am beginning to learn everyone's name, so thank you in advance for your patience as I become more familiar with the children. I give you a wholehearted promise that I want the very best for your children and I will endeavour to work alongside the leadership team and the whole school community to ensure that the children are given the best opportunities.

I look forward to meeting more of you over the coming weeks, I am on the school gate at the beginning and end of the day so please feel free to say hello.
