A message from the School Council

Hi, School Council here!

We hope you are all well and have settled back into coming into school daily.

Welcome to the New Year R children, we've seen you in the dinner hall and at playtimes - we hope you like it here - we do!

We had our first meeting on Friday 16th September in Mr. Taylor's room at lunchtime. As it was the first meeting, we introduced ourselves and said which classes we were representing. Mr. Taylor and Mrs. Amos spoke to us about what the role of the school council is and why it is important. The School Council spoke about events that had happened in the past and we looked at some important dates that are coming up - WATCH THIS SPACE! 😊

Our meetings take place every fortnight on a Friday lunchtime, so, if you have any ideas for the school, your class, charities or anything else, please let your class school council member know and they can bring it to the meeting.

All school council members have a badge and Mr. Taylor is making a display of our photos so you will know who we are.

We are excited to be sharing more about what we are planning very soon.

Speak soon, take care and remember...sharing is caring!

School News

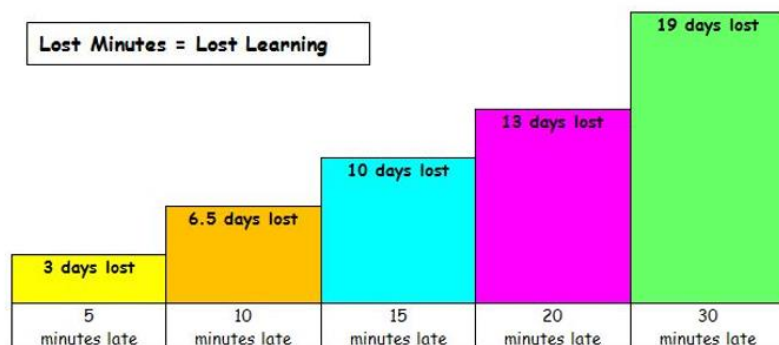

On Thursday 6th October there will be a Census Day menu for school dinners. Please find the menu attached.

We are using a company called Premier Education to run some of our after school sports clubs this year. If you sign your child up for a club, Premier Education will be responsible for your child. Any communication will need to go via them.

There is still availability for Hockey Y3-Y4, Football Y5-Y6, Netball Y5-Y6 to register please click the link <https://www.premier-education.com/parents/venue/courses/20016/?school=kingsnorth>

If you are experiencing trouble with receiving text messages from the school, we would recommend deleting the T2P app, you will then receive the text messages directly to your phone.

PUNCTUALITY DATA

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

As a school we set high expectations. Over the summer the Government and the Children's Commissioner set out new expectations for attendance in school, with all children being expected to have 100% attendance in school. No holiday will be authorised, unless in the most special of circumstances.

Even illness and medical appointments have a large impact on children's learning. I would like to thank all those families who have supported us in this and supporting their children to settle into new classes with new adults. This cannot be achieved if children are not in school.

School Prayer

Dear Lord,

Give me the strength to be kind, and to respect everyone and everything.

Remind me always to use my manners, and give me the courage to make the right choices.

Thank you for being with us, and helping us in all that we do
Amen.

Outdoor Learning Sessions:

Wednesday 28th September – Year R

Friday 30th September – 1M

Please ensure your child has a named waterproof coat and named wellies.
