A message from Mrs Green, Phase Leader for EYFS/KS1

I am Mrs Green, although I have been in school for over 5 years, I am new to EYFS and I am having lots of fun getting to know the children and the parents.

We have been embracing the Autumnal weather this week in our outdoor learning and the damp conditions have been fantastic for finding mini beasts!

One of the many exciting things in EYFS is watching the children meet their Year 6 buddies; this is something that the older children take very responsibly and the younger children look forward to. It has been lovely to see the friendships forming and the kindness and patience that the Year 6 children have shown when reading to their buddies and sharing their summer diaries.

It is always nice to see children you have previously taught around school and it was my pleasure to lead the Celebration Worship last week. We heard some amazing stories and the children were proud to receive their awards. Your children are a real credit to you and to us as a school!

School Prayer

Lord, I pray that you would fill my children with your joy as they begin a new year of learning! Help them to find joy in their studies and interaction with their teachers and peers at school. May they be filled with wonder as they learn more about this world you have created. Throughout this year, help them to know you better through their studies.
Amen
