Dear Parents / Carers

Parent Device Safety Workshop

We are very pleased to invite you to a workshop on **Monday 28 November at 2pm** in the school hall. This is the first of a termly series of workshops designed to support online safety across the main aspects of this every changing and complicated platform.

The objectives of the session on Monday 28 November are as follows;

- How to set up new devices that may be purchased as Christmas presents
- How to use parental controls
- How to use family sharing links
- Guidance and advice on apps and games to be aware of
- Advice on how to support your child's safety online
- Share information leaflets

Online safety sits at the heart of our curriculum and we are dedicated to supporting both our pupils and families in order to make safe choices online. We want to empower, protect and educate our pupils so that they may enjoy the potential of this fast-changing area of technology and so that they know what to do when something upsets or worries them. We are very keen for a large audience! The workshop will be hosted by Mrs Amos, Miss Stonehouse and Mrs Mekinde.

I would be very grateful if you could complete the form below in order to confirm your attendance; this will enable us to prepare for the correct audience size.

We look forward to welcoming you to this very important workshop.

Many thanks

Sarah Bone
