

AMAZING!

WITH YOUR HELP WE RAISED

£26,000

Our PFA is a registered charity which hosts a range of fun events each year for our children and families in order to raise funds for Kingsnorth CEP school. Our donations support a number of school initiatives, including:

Annual funding of the Accelerated Reader programme	School Trip subsidies for each year group
£10k donation to the planned Year R Playground renovation in 2019/20	IT equipment
Annual Contribution to the Year six Leavers' celebration	Classroom resources and equipment
Year 5 Swimming programme	Art Resources & Arts awards training

All only possible with the help of those who kindly volunteer their time and everyone who comes along to support our events and contribute to the funds we subsequently raise!

Thank you again for your help and support!
