

17th March 2023 - No. 448

A message from Miss Moore, Assistant Headteacher & SENCO

Thank you to those parents that attended the autism coffee morning last term, I hope you found the coffee morning to be informative.

I will be holding another coffee morning this term, focusing on Special Educational Needs and the processes and resources available to the school, all parents are welcome to attend.

I have also invited an Educational Psychologist to a parent coffee morning next term, this is an exciting opportunity to learn about the role of an Educational Psychologist (EP) and how the school can access this support.

Here are some dates to put in your diary, all are welcome:

Special Educational Needs focus: Friday 31st March 9am – 10am

Educational Psychologist (EP) focus: Friday 21st April 9am – 10am

Talking to parents it has been found useful to engage with messy play with your child, this helps the children to engage in sensory play experiences, which helps children to regulate and to calm. I will be holding another coffee morning to share some sensory ideas.

The school have begun their journey on becoming an accredited Nurture UK school, this is an exciting opportunity for the school as this will give us recognition for all the support we provide children and offering a nurturing environment. If you would like to know more about Nurture UK please visit their website www.nurtureuk.org or come and talk to me and I would be more than happy to share our vision.

Y3 and Y4 Quick Sticks Hockey Tournament

On Tuesday, 14th March, Years 3 & 4 took part in a 'Quick Stick Hockey Tournament' at Ashford Prep School. The team played brilliantly and won 3 out of 5 matches. Everyone was very enthusiastic and they played well as a team. It was a great morning, thoroughly enjoyed by all. Well done to everyone who took part.

Year 2 Learning

In RE, we have been exploring how Easter is celebrated in a Church. On Tuesday we visited the local Church and Rev Adam shared the Easter story with us, we explored the Church and some of the key symbols there that represent Easter. We also had the opportunity to ask Rev Adam some questions that we had written prior to our visit.

Year R Mothers Day Event

We had a wonderful time celebrating our Mum's and special women in our lives on Monday and Tuesday this week. The children enjoyed playing games and spending quality time with their adults. Thank you to the kitchen team for making delicious cakes for us to share.

Year 3 Learning

In Art this week Year 3 have been looking at the aesthetic of architectural buildings. We have developed our shading techniques and learnt how to use: hatching, cross-hatching, scumbling and stippling. We have also used watercolours to create different tints and shades.
