March 2023

Dear Parents/Carer,

Here are the details for our day trip to Kingswood.

Place of visit:	Kingswood Activity Centre Day Trip
Reason for Visit:	Preparation for the 3-day residential trip in Year 4
Date and day of visit:	Thursday 11th May 2022
Children need to be dropped off at Kingswood for the following time:	
Arrival time:	8.45am
	Siblings to be dropped off at school first from 8:15am.
Collection from Kingswood:	4:05 – 4:15pm

We feel that this trip is incredibly beneficial to the children in order for them to familiarise themselves with the area, the layout of the centre itself, and to have a taster of what it will be like to be away from home – some for the first time!

Children should wear comfortable and appropriate clothing. They **must** have long sleeves and wear long comfortable trousers for the activities. Please note that children wearing shorts will be unable to participate in activities. They **must** wear comfortable shoes; trainers are ideal. Please make sure the children do not wear new clothing; activities may make them dirty!

Children will be provided with a hot lunch. Please advise us of any new changes to special dietary requirements by completing the attached slip below.

We ask parents to drop off and collect your child from the centre. This helps us keep the cost of the trip down in price. If your child is getting a lift with someone else, please let us know in writing or via the school office in advance.

For directions please DO NOT google search it as it will send you to the wrong address.

Turn left into Bybrook Barn from the A28. Take the second left just after the entrance to Bybrook Barn and Chemist, there is a sign to Grosvenor Hall Kingswood. Follow this road to the electric gates. Keep on the left hand side of the road, and then drop your children off at the grassy area outside the entrance where staff will be waiting. Please go right around to avoid blocking the road. This will be the same place for collection at the end of the day.

Yours sincerely

Mr Witts
