Bikeability Cycle Training

Dear Parent / Guardian

We are pleased to offer your child a place on a level 2 Bikeability cycle training course. This is scheduled for week commencing 26th June 2023. The parental contribution is £15/pupil.

The course begins with a safety check to ensure that children's bikes are roadworthy (basic adjustments will be made if required) and continues to include skills exercises on the playground. This will then be followed by basic manoeuvres on local roads for those who have reached the required standard of bike control.

Children will need a roadworthy bike and a helmet. Please ensure that your child's bike fits correctly and is safe to ride. (Need a bike? Have a look out for our Affordable Refurbished Bike Sales on our website).

If you wish your child to take part, please complete the consent form and return it to the school by Wednesday 3rd May 2023.

Bikeability Cycle Training: Consent Form

Please read and complete this form and return it to school. Thank you.

Parent/Guardian's name.....

Child's name.....

I am the parent or legal guardian of the above child and I give my consent for them to participate in cycle training provided at their school. I understand that:

1. I will need to provide a roadworthy bike and helmet
2. Some of the training will take place in public spaces and on roads
3. Completion of training does not mean that it is safe for my child to cycle in all conditions. To become a proficient cyclist takes practice.
4. The instructor may, at any time, refuse to train my child if their behaviour or competence is deemed to be unsuitable.
