FOR YEAR R PUPILS ONLY - Evidence ME

Early Years will be using a Learning Platform called 'Evidence Me' to track pupils progress and to aid communication between school and home. You will have access to upload photos or comments about your child's milestones and achievements at home, which can then be viewed by their class teacher. Occasionally, photos of group or whole class activities may be communicated with you.

I give permission for my child to be in group photographs or video clips on our learning platform 'Evidence Me'. I understand that other parents/carers will be able to view the same group images.

I agree to refrain from sharing any photos from 'Evidence Me' on social media and understand that these images and clips are intended to keep parents informed and up-to-date about their child's learning journey.
