A message from Mr Witts, Executive Headteacher

Thank you for all your support during a busy but successful term 5. We can hardly believe that we are now at the end of it! We are enormously proud of all of the children; huge congratulations to our Year 6 and to our Year 2 children who completed their SATS this term. They will definitely be ready for the holiday!

We have kept the children very active this week with sports week activities. All of these have been very popular; we have some budding experts for sure! The children have enjoyed rapid fire cricket, break dancing with Urban Strides, and circuit training with our visiting athlete Frederick..... A huge thank you to all of the staff for supporting these events in school and to Mrs Maund for organising these and Sports Day. Thank you if you were able to join us for Sports Day – I hope you enjoy the pictures celebrating the children's successes.

We are also enormously proud of the children who represented the school at the Biathlon event yesterday – there is a more detailed write up later in the newsletter.

We hope that you have a peaceful and restful half term – there is a longer promise of good weather which always makes such a difference. We will look forward to welcoming you back to school on Monday 05 June. Please remember to use our holiday support email if you have an emergency or have a concern which needs to be addressed quickly.

Things to Remember

Year 6 - PE block week first week back after half term (05.06.23 - 09.06.23). Please ensure your child brings their PE kit to school every day.

We are seeing an increase in the number of children coming to first aid due without having a water bottle in school. It is imperative that every child brings a named water bottle to school daily. School water bottles can be purchased from the school office for £1.

Due to the changeable weather, please provide a suitable waterproof coat.

Sports for Schools

Today we welcomed Frederick Afrifa to school. The children had a fun packed morning working along side him, completing timed activities.

The deadline for any sponsorship money is Friday 9th June. Please ensure any money is paid online or handed into the school office by this date.

Ready, Respect, Safe

Following our school Behaviour rules of Ready, Respect, Safe. May we politely remind all parents, carers and adults to demonstrate respect in and around the school site. Our families and children represent our school in the wider community and would ask that we all follow our school Values of Compassion and Community at all times.

Year 3 Learning

This week in Science Year 3 have been learning about seed dispersal. We looked at how seeds are dispersed through animals, wind, explosion and water. We had lots of fun trying to replicate this.

On Thursday a team of children attended a Biathlon at Ashford Prep School. The Team did amazingly well. Edie in Year 3 won 4th place, Harriet, Elena and Chloe in Year 4 won second place as team, Elise from Year 6 won 4th place, while Year 6 won second place as a whole team. Well done to ALL! It was pleasure to watch all the Kingsnorth kids cheering each other and others!

On Tuesday we welcomed Urban Strides into school. Urban Strides performed on stage with our school choir at the London 02 Young Voices concert. The dance group worked with our KS2 children. It was a fun filled morning.

Luke the instructor taught the children some authentic street dances which the children thoroughly enjoyed.

Sports Day

Congratulations to all of the children for their fantastic efforts on Sports Day this week. All of the children did amazingly well and we are very proud of their efforts. Thank you to all of the parents and friends who came to support them on the field.
