## Christmas Light Competition 2023

Over the last few years Kingsnorth Parish Council has decorated each ward in the Parish with Christmas lights and trees. As always, we are looking to improve our displays for this Christmas. This year we are asking young people aged 11 and under to design a simple Christmas Light. It can be anything Christmassy at all. Just try and keep it simple and use your imagination. The winner will be made into a REAL Christmas light and displayed in the Parish this year, alongside all our other Christmas Lights including last year's winning Christmas light design.
