Dear Parents / Carers

Community vote for finalists

Last term we were thrilled to secure a place on an online safety programme with Kent Police. Children from Year 5 and from Year 6 enjoyed a workshop on staying safe online and healthy relationships. The children then worked in smaller groups in order to record a podcast promoting their messages.

I am very excited to confirm that one of our groups has been selected to be finalists. This group is Rio, Isabella, Zach, Seren and Layla from Year 6 and Tilly from Year 5. This means that they are now open to a public vote from the wider Kent Community. The online public vote begins at **7am** today; **Thursday 29th June**. The winning school will be the one with the most votes when the poll closes at **5pm** on **Wednesday 5th July**.

You can listen to a copy of the children's podcast by clicking on this link;

<https://youtu.be/0eYhqxidytc>

Voting takes place on Kent Police's media company website at
www.collaboratedigital.com/vote

We are all extremely proud of the children and would like to urge you to vote for them. We will post the link on our social media platforms also so that it is very accessible for you. The children need your support! Please vote and encourage friends and family.

Kind regards

Sarah Bone

Deputy Headteacher
