

# Kingsnorth School Summer of Reading

## Summer Reading Challenge

Libraries have their summer reading challenge which begins on 8 July.

The library in Ashford is participating and children can earn special stickers and rewards for reading books.

Last year 106 children took part in the challenge – can we make it more this year?

## PFA reading challenge

What is the most unusual place that you can read a book? Under a tree, in the bath, on a beach, under a pet

The PFA will award a book voucher for the most unusual place in each year group!

Do send pictures to the PFA on Facebook if you are happy for them to be shared on social media. If you would rather not share a picture of your child, then they could draw a picture of the most unusual place they have read a book!

After the success of the book swap this year, the PFA will be collecting all of your unwanted books in September ready to help to stock another book swap and to restock the library with additional AR books
