

15th September 2022

Dear Parents / Carers

Reading Workshop for parents of children in Y3 – Y6

Firstly, a huge welcome back to a new school year. We are very excited to work together in order to assure that your child is happy, safe and fulfils their potential.

This year we will be running a series of workshops in order to explain how we teach key subject areas and the resources that we use. As parent, you are expert in your child and we believe that this is an invaluable opportunity to work together and support learning at home.

The first of these workshops is dedicated to Reading which sits at the heart of the curriculum. The workshop is scheduled on **Thursday 28th September from 2pm – 3pm**. Our English specialist team of Mrs Savage, Miss Bate and Mr Clark will lead the presentation which will address the following areas;

- National picture for Reading
- Importance of Reading
- Impact of Reading for Pleasure
- What makes a Good reader
- National Expectation for Reading for each year group
- Guides for reading with your child at home
- Opportunity to review other resources

We would be delighted if you were able to join us for this invaluable opportunity to discuss, review and ask questions about our practice and approach to reading for this age group of children. I would be grateful if you could complete the form as below so that we are able know our audience numbers.

Kind regards

Mrs Bone

Deputy Headteacher

Kingsnorth Church of England Primary School

Church Hill, Kingsnorth, Ashford, Kent TN23 3EF
