Dear Parents / Carers

### Reading Workshop for parents of children in EYFS

Firstly, a huge welcome to both the Year R children and their parents. We are very excited to work together in order to assure that your child is happy, safe and fulfils their potential.

This year we will be running a series of workshops in order to explain how we teach key subject areas and the resources that we use. As parent, you are expert in your child and we believe that this is an invaluable opportunity to work together and support learning at home.

The first of these workshops is dedicated to Reading which sits at the heart of the curriculum. The workshop is scheduled on **Friday 22<sup>nd</sup> September at 9am**. I will lead the presentation, which will address how we teach phonics to your children, starting in Year R and moving through to Year 2.

We would be delighted if you were able to join us for this invaluable opportunity to discuss, review and ask questions about our practice and approach to reading for this age group of children. I would be grateful if you could complete the form as below so that we are able know our audience numbers.

Kind regards

Miss Bate

Reading Lead and EYFS Teacher

---

I **will/will not\*** be attending the 'introduction to phonics' workshop on Friday 22d September at 9am.
