

18th September 2023

Dear Parents/Carers

In year 2 we are starting to get ready to share our Harvest Assembly with you on **Friday 6**th **October**. In order to make it as fun and exciting as possible we would love for the children to dress up. Please could you provide any one of the following outfits for your child and bring it in to school in a named bag on or before Friday 29th September.

- Farmer
- Shopkeeper/supermarket worker
- Chef
- Mum/Dad or any other adult who cooks for you

We have also attached your child's words to learn (if they have a speaking part). Please could you practise these at home in a loud clear voice. It is very important to us that all children have the chance to perform to the best of their ability and practise at home will really support them in this. Don't worry if your child does not have lines, it means they have another exciting role which we are getting them ready for at school.

Thank you for your support. Please come and speak to us if you have any questions or concerns.

Kind Regards

Year 2 team
