

10th November 2023 - No. 469

A message from Mrs Bone, Deputy Headteacher

It has been a fierce week for weather but a fabulous one for learning. I have been very lucky to have had the chance to share in some of the children's maths lessons this week. Year 1 and Year 2 have been very keen to show me their addition and subtraction skills and Year 4 have been working hard on their multiplication skills. Yesterday they were also revisiting their knowledge on shape names and their properties, with some great ideas for how to remember these. Well done to everyone and a huge thank you to all our teaching teams for making learning memorable and immersive.

Year 6 have been out of school on their residential to the Isle of Wight; it seems that they have had similar weather to us but it has not dampened spirits or their fun. Mrs Riseley has been keeping the teaching team updated and she has been a particular fan of the silent disco. We look forward to welcoming them all safely back later this afternoon.

This week we have rolled out our OPAL playtime programme from Fridays to every day. The children have had a wonderful time with stilts, skipping ropes, table tennis, construction and scooters. Thank you for all your dressing up clothes donations; on drier days we have had these out and everyone has loved them! We are hosting a parent information session about our OPAL work on Friday **17th November at 2.45** – we hope you can join us!

A huge thank you to Year 5 children who led our Remembrance service this morning; we are so proud of their sensitivity and compassion. A huge thank you also to all those children who came in their cub, scouts, brownie or cadet uniforms. This is such an important aspect of our service.

I hope you have a wonderful weekend and we look forward to welcoming you back to school on Monday.

Things to Remember

Year 3 - PE block week is next week (13.11.23 - 17.11.23). The children will need to bring their PE kit into school on Monday to change into.

Dates for the Diary

17.11.23 - Children in Need - Odd sock day

Values Award

1A Rosie-Rouge O, M Thomas R,
2H Emily W, 2K Andrea-Maria A, 3B
Fawaz A, 3G Elodie G, 4C Callum R,
4MP Ben L, 5N Millie S, 5R Ima U

The trophy this **term** is for the most read minutes each week.

This week the trophy goes to **5R**

House Points

Beckett	978
Dickens	949
Churchill	1117
Harvey	1036
Holmes	938
Shakespeare	948

CONGRATULATIONS TO
CHURCHILL
This week's Winners

School News

A huge thank you to the PFA for putting on a fantastic Fireworks display last weekend. This was a great community event which raised just over **£6000** for our school!

Thank you to everyone who came along and supported us and to the army of helpers to made it all possible especially the fireworks team, our site team and the Parish Council. If you would like to join the PFA's team of regular volunteers who help out on events such as this as well as discos etc, please contact them at kingsnorthschoolpfa@gmail.com

Kingsnorth School PFA Christmas Fayre **Saturday 2nd December 11-1.30pm**

We are looking forward to our Christmas Fayre which will be opened by our school choir singing Christmas songs!

The PFA are now collecting CLEAN teddies and soft toys for their Teddy Tombola. If you have any to donate, please bring to school reception FAO the PFA team.

Tickets for slots to visit Santa's grotto at the Fayre will be available to buy from Monday 13th November via Classlist to Kingsnorth parents for the first week. After that they will on sale to the wider community. Tickets will be limited due to the time constraints of the day so it is highly recommended to purchase in advance.

Finally if any parents would like to come along and help the PFA on the day it would be greatly appreciated!

Please email kingsnorthschoolpfa@gmail.com to get in touch!

Thank you and we hope to see as many of our families at the Christmas fayre as possible!

Year 2 Learning

Year 2 have had a lot of fun this week practising various art techniques.

We learnt about Yayoi Kusama and had a go at creating polka dots using techniques such as stippling, dotting and twisting.

It was a very fun lesson, with the children learning lots about how to create different effects.
