

**Welcome to Breakfast Club

When the doors  
open, children are  
registered and  
invited to the hall

their belongings.

# Mobile Phones

Any pupil with a mobile phone is required to hand it in having turned it off before leaving it securely in a designated tray at reception, before moving to the hall.

# Allergy Table

We cater for all allergies.

To ensure the safety of our children, children collect a tag displaying their allergy from main reception, which is worn until foods have been consumed.

We serve these foods from a separate area from other foods to stop cross contamination.
