

1st December 2023 - No. 472

A message from Miss Moore, Assistant Headteacher & Senco

This term the school was visited by the Inclusion Quality Mark assessor as we continue to reflect on our inclusive practice. This was an opportunity for the assessor to talk to children, parents and other agencies who support the school as well as hearing from school staff about the support that they give to children.

The Inclusion Quality Mark assessor was really impressed with the school and commented on how well children are supported and how there is a community feel to the school. The school currently hold 'Flagship' status and once the report is published this will be shared and available on the school website.

I would like to thank those parents who came and spoke so highly to the assessor about the support they received; we thank all parents for the support they give to the school in this respect.

As a school we have also opened a Nurture room, this is a dedicated space to support children with their social, emotional, mental health and wellbeing. This space has been created through the work the school have embarked on to achieve Nurturing School status, through Nurture UK. As the school continues on this journey there will be updates which will be available on the website as well as a parent workshop later in the academic year.

School News

School dinner change - On Wednesday 6th December school dinner will be fish fingers and chips, due to Christmas dinner on Friday.

Apologies for the delay in setting this up, however we are pleased to confirm that we can now offer Tax Free Childcare vouchers online to claim for Breakfast Club.

Year 3 Learning

Here are Year 3 carrying out their Science experiment.
'We were investigating the question: Does leg length affect the distance you jump?'

Person	Leg Length	Distance jumped
Ol	76cm	110cm
Al	82cm	115cm
Jo	71cm	110cm
Al	76cm	110cm
Fi	71cm	110cm
TD	74cm	110cm

Method

1. Measure the leg length of your group.
2. Use tape to mark in on your start point for your jump.
3. Jump as far as you can from standing free run up!
4. Measure the distance you jump.
5. Repeat your work.
6. Repeat with the 10 more members of your group.

Nurture Room

This is our Nurture room.

Here are some children spending time together, sharing, taking turns and socially interacting enjoying activities.
