Dear Parents/Carers,

As part of our Christian ethos here at Kingsnorth CEP, we follow a number of charities. With your support, we have raised a huge amount of money over the years, for which we are extremely grateful.

There are so many charities, both locally and nationwide, who ask for our support. We would love to support them all; however, we fully understand that this is not possible. Therefore, the school council have voted and the following 7 will be our chosen charities for this year, many of which relate to the school and/or its pupils in some capacity.

We are extremely mindful that the current economic climate is extremely difficult for many families, especially at certain times of the year. Therefore, we have tried to spread the giving out over the year and are not setting an amount. Please note that there is no obligation to give to any of these charities if you do not feel you are in a position to do so.

Below are the charities and dates that we are aiming to support, further information will be sent out closer to each event.
