15th January 2024

Dear Parents/Carers,

Re: National Storytelling Week – invite for parents to read to their children

We would like to inform you of an exciting opportunity we are promoting as part of National Storytelling Week, which is beginning **Monday 29th January** and running until **Friday 2nd February**.

Throughout the week, a different member of staff (mystery reader) will be reading something of their choice each day to your children. It could be a picture book, graphic novel, poetry or non-fiction.

On **Friday 2nd February**, we would love to invite parents, carers and grandparents to come in and read with your child to finish off this wonderful week of storytelling. This will run from **2:30-3:15** to allow parents time to enjoy the reading session and allow time to talk about the book they have chosen. It's great if your child chooses a book for the parent to read or additionally, the parent may bring in their child's favourite book from home.

If children have siblings within the school, parents may want to read all together in either the older or younger sibling's classroom. Just ask one of our staff and they can arrange this for you on the day.

In the event that parents cannot make it, your child will be able to join a friend or a member of staff to read with them.

We look forward to seeing you all,

Mr J Clark
