Church of England Primary School

26th April 2024 - No. 486

A message from Miss Moore, Senco and Assistant Headteacher

This week the children have really enjoyed the Captain Wonderweb Mental Health Assemblies, they were interactive and fun. The focus of the assemblies were nurturing our bodies and minds so that we are healthy and looking after ourselves. It is helpful to the children to always receive positive messages about looking after ourselves and being the best that we can be. It supports the work that the mental health and well-being team have started to work with us on and it is encouraging that the children were aware of asking an adult for help.

I would like to remind you about the online parent workshops which are aimed at supporting parents with understanding what may be happening for your child.

- Understanding your child's behaviour 01/05/24 5.30pm-7.30pm
- Introduction to understanding Autism 13/05/24 10.30am - 12.30pm
- Supporting your child with worries and fears 23/05/24 5.30pm -7.30pm
- Starting secondary school 12/06/24 10am -12pm
- Understanding ADHD in children 27/06/24 5.30pmn – 7.30pm
- Starting Primary School 09/07/27 12.30pm – 2.30pm

Please get in touch with the school we will organise a link to join the meeting.

As a school we support children through nurture, engaging children with nurturing experiences. This gives children the social and emotional skills to do well at school and interact with their friends. Developing their resilience and self-confidence.

The six principles of Nurture are a focus for us as a school, which we are working really hard on with our children.

Things to Remember

As the warmer weather approaches, please ensure that your child comes to school with a named water bottle EVERY DAY. It is essential to avoid headaches and keep children hydrated.

Dates for the Diary

01.05.24 - YR Vision & Hearing NHS check
02.05.24 - 3B Class Assembly

This week's Winners

School News

Ofsted update

What a week it has been! Thank you all for your patience and support during the past week. It has been incredibly busy and challenging week, but the process was very fair and professional. Many of you may be wondering when the report will be published. As per paragraphs 168-170 of the Ofsted School Inspection Handbook; the report will be sent to school within 18 working days. The school will then have 5 days to respond and the final report will normally be published within 30 working days of the inspection. We will share this with you at this point.

EYFS Donations

We would like to request donations of the following for our EYFS classrooms to help us replace broken and worn items:

small wooden and metal cars - especially construction and emergency vehicles, small plastic animals, insects, reptiles and sea creatures, small wooden or plastic figures, toy wooden/metal musical instruments, wooden or plastic toy tools, metal kitchen utensils / silicone cupcake moulds, superhero figures - especially female ones. Any donations can be brought to the school office, thank you kindly in advance.

Breakfast Club

A reminder that Breakfast Club takes place daily in our main school hall. We have spaces available. Please look on our website for an application form and our presentation of the club for further information and to see for yourself what is on offer. You could also pop in to the school office for a paper copy of the application form. For £3.00 per day, we offer a wide range of breakfast and fun activities for children to begin their day in a calm and nurturing environment with friendly staff that the children know from working in and around school. We take childcare vouchers and payments via Scopay. Please drop any questions to breakfastclub@kingsnorth.kent.sch.uk or ask via the office.

Hot Chocolate Friday Award:

for always following the school rules

Year 1 - Sophia W
Year 2 - Aadit G
Year 3 - Jessica J
Year 4 - Ella Rose P
Year 5 - Blake H
Year 6 - Josie K

Carter in Y1 competed in his first Karate Championship and he came 2nd for his age group. Well done Carter, what an amazing achievement!

As part of our OPaL provision we are looking to create a music wall. If you have any spare pots and pans, or any other resources that would support with this development we would be incredibly grateful. Any donations can be left at the school office.

A special thank you to Thanet Tools of Ashford for kindly donating cardboard and tape for our Opal Project.

The children had fun watching and taking part in the Captain Wonderweb Mental Health Assemblies on Thursday.

2K Stem Exhibition

Kingsnorth hosted a STEM exhibition in each classroom so that the children could celebrate their STEM learning with parents and carers. The children from 2K enjoyed sharing their STEM work and even encouraged parents to carry out a rocket mice investigation!

Author of the Week

Ahan in year 2, has written an informative Stem Week diary. Have a read to find out about all the amazing things we completed last week!
